Coach's Name/Comments:

Kayla Mathiowetz

The girls started early with their bats and a little shaky with their defense. But as the game went on their bats really came alive and their defense settled down making plays behind Megan on the mound to take the win against MCW to conclude their season and move on. They brought spirit and determination to the field and it was evident as the day went on that their love of the game ignited a fire. These girls have a great work ethic and are always stiving to get better with each game and practice. What more could a coach ask for in their players!
