### Game Summary:

The Knight's bats were quiet tonight. Allie Labat lead the team going 2 for 3. Maddie Hose had the other hit for the team. We struggled to keep our bats going and string them together to put some more runs on the board.

Pitching was done by Megan Ahlness going the distance. We struck out 2 and walked four.

The Tigers had 7 hits: Brooklyn Sturm was 4 for 4, Maddie Digmahn had 1 hit, Jalivia Richert had 1 hit, Astrid Ramirez had a hit.

Jalivia Richert went the distance on the mound striking out 3 while walking only 1. She did a nice job of containing our bats.

We will chalk it up as a game and move onto the next one knowing that we didn't play our game today. We need to keep in mind that it is the little plays that make the biggest difference in any game. String enough of those little components together and big things will happen. Knowing that when we walk off the field that there was nothing else we could have done! We gave it our all! Play hard with no reservations and no regrets!
