### Coach's Name/Comments:

Natalie did a nice job on the mound keeping the batters on their toes. Moving the ball around well and battling with each batter working to come out on top. She made each batter have to earn their spot in the box coming out with a strike out or them putting the ball in play. That is all that we can ask of any pitcher on the mound, but Natalie did her job well tonight!

Our bats have been quieter than normal, so we are looking for that part of our game to strengthen and for the girls to hit the ball with power like we know they can! Still looking for the team to play 7 strong innings on both sides of the game like I know they are capable of doing.
